hi Doug,

our agenda is definitely packed and I would like to have Ella share her paper prior to any presentation to the group if possible so we can review it.

I also have some leads and folks interested in potentially being labor reps on the cag, the NJISJ, can you send me the invite letter for new members or how do you want to review their nomination?

Thanks Ana

someone to cover for me - the FFS topics on the agenda for that meeting are:
>>
>> · Understanding how models work and how they are being used in the Passaic River decision
>> · Results of the Conceptual Site Model updated with current data
